

MUBASHIR KHAN YOUSUF ZAI

Web developer

mubashirmpa2008@gmail.com - 0315-2669152

PROFILE

I'm a passionate and creative Web Developer with solid experience in building responsive, user-friendly websites. I specialize in HTML, CSS, JavaScript, and Next.js, and enjoy turning ideas into clean, functional code. With a good eye for design and a strong grasp of modern development practices, I focus on creating smooth, fast, and intuitive user experiences. I take pride in writing maintainable code and delivering projects that truly meet client and user expectations.
